

Immunizations

Some countries require that you have certain vaccinations prior to entry. Other countries may not have mandatory immunizations, but it may be a good idea to have them anyway. At a minimum, be sure your Tetanus shot is up to date. Hepatitis A & B vaccines may also be something to ask your health care provider about.

[OSU Health Services](#) offers immunizations and information regarding health conditions abroad.

The [Center for Disease Control and Prevention](#) also has some excellent destination specific information.

In Oklahoma City, [Passport Health](#) also serves as a traveler's resource.
